

MEASUREMENTS OF PRODUCTS - Sizes of products are taken 'as viewed'

4004.43S 3.5" Balancing Cube

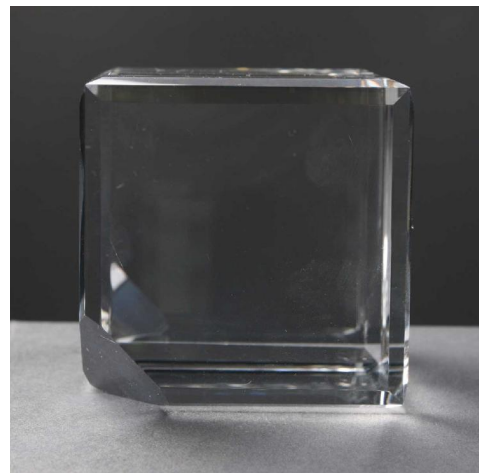

4000.03S 7" Tain Column

Although the block which Tain is cut from is 50mm square, the item is viewed from the front and it is the 'point-to-point' size we measure.

4004.43S 3.5" Balancing Cube

We do not measure a product in an un-natural position (above)
